NEW VIHARA DEVELOPMENT PROJECT

Bristol Sri Lanka Buddhist Vihara was established in 2012 to promote Theravada Buddhism in the South West of England and Wales regions.

However, lack of a permanent site is a major obstacles for continuing Dhamma activities.

Let us all show our commitment, enthusiasm, vision and generous support to establish our own Sri Lankan Theravada Buddhist Vihara in the South-West.

New Vihara Development Project

New Vihara Project

Our current situation:

- The current membership of our temple is nearly 200 covering Bristol, Cardiff, Swindon, Gloucester and Southampton.
- Monthly regular income from standing orders is £1800/-
- Estimated project cost to acquire a land with a building suitable for small community gathering and monks residence in south west region will be well over £ 500,000/-
- Estimated: Mortgage loan £250,000/- deposit required £250,000/- (Monthly mortgage repayment: £1400/- Approx.)

What we require:

- If all members/families contributes towards this highly meritorious project, we will be in a comfortable position to achieve our initial target of £250,000/-. If we receive higher donations that will reduce the required mortgage loan reducing the monthly instalment to a manageable level.
- Currently monthly income from membership barely covers the costs and to obtain required mortgage we need to show regular monthly income over £3000/- on average. Higher monthly income will strengthen our position towards making a successful mortgage application.

This is why we should show our munificence at this hour of need and extend our fullest cooperation by contributing as much as we are able to accomplish this noble mission.

Donations

Generous donors like you are the key to our success in establishing our temple in a permanent location.

As you may appreciate, this is an extremely difficult and challenging task requiring planning from the outset. After years of searching we have now found a suitable property and your urgent support will help us make this meritorious deed possible.

- I would like to contribute £..... for the purchase our new temple property
